FEDERAL & MILITARY TRAINING & CONSULTING

The Fire Code Academy has been selected on several occasions to conduct training and educational workshops for federal and military firefighters with the U.S. Dept. of Veterans Affairs (VA), the U.S. Army and the U.S. Air Force (ANG).

The Fire Code Academy (FCA) provides affordable, comprehensive and practical education in the administration, application and enforcement of the International Fire Code, NFPA 101, NFPA 1, Fire Inspection Techniques, and related subjects. The FCA encompasses all major model codes and our training programs are designed for the Fire Service as well as Federal Govt., Private Industry and Corporate Personnel.

flexible solutions for your training needs

We are committed to excellence by offering exceptional educational programs by providing knowledgeable and experienced instructors, fire inspectors, firefighters, fire protection engineers, and industry professionals. We have the resources to provide you training, education and knowledge on a level most other organizations cannot do.

We provide opportunities for fire and industry professionals to advance their careers.

Not only do we excel in our fire inspection and code enforcement training programs, we have an excellent cadre of certified fire instructors for leadership programs, fire instructor, and other related educational programs.
