

# Fireworks & Pyrotechnics Training for Fire Inspectors

Presented by: Phantom Showrooms L.L.C.

**April 13<sup>th</sup>, 2023 – Milford, Ohio**

**Course Overview:** This 6-hour presentation will include a review of applicable Federal regulations governing the fireworks industry including: APA Standards 87-1A, 1B, & 1C; ATF; DOT; OSHA; CPSC; as well as NFPA industry consensus standards; along with on-going industry efforts to ensure best safety practices. Note: State & Local laws may also be incorporated into the program., primarily the Ohio Revised Code & the Ohio Fire Code. Six (6) hours of continuing education credit will be issued for your attendance.

This training program is a **“must attend”** for individuals new to the fire service or enforcement field as well as an excellent continuing education “refresher” course for veteran officials. Gregg Smith, a leading expert in the field of pyrotechnic safety, will share his expertise and insights. Our special program will cover the three primary segments of the fireworks industry: Consumer, Display, Proximate Pyrotechnics (Outdoor & Indoor), and much more!

**Instructor Overview:** Gregg Smith has spent 29 years in the pyrotechnics industry working manufacturing, professional display, and transportation. He spent over 17 years with the American Pyrotechnics Association as its Safety Program Manager; and now serves as Director of Safety and Compliance for Phantom Fireworks.

Gregg has served on NFPA Technical Committees 160 (Flame Effects), 1124 (Pyrotechnics), 1123 (Manufacture, Transportation & Storage of Fireworks), and 1126 (Proximate Pyrotechnics). He chaired NFPA’s Hazardous Waste Disposal Work Group, which was convened at the request of the Chemical Safety Board.
